## Math Fun

Teaching: 65 hours per week for 36 weeks equals 2340 work hours.  
Other jobs: 40 per week for 52 weeks equals 2080 work hours. So, I deserve the summer off.  
Any other questions?

## Gold Medal Announcement!

Congratulations to all the Gold Medal schools, big and small. This school year saw the largest and most impressive group of Gold Medal schools ever. Check out this year's hall of fame at [www.ascendmath.com/gold\\_2017.html](http://www.ascendmath.com/gold_2017.html)

## Tip of the Month

Are you regularly checking your Class Dashboard? Your Live Student Tracker? If not, you're working too hard. The Teacher Dashboard, Class Dashboard, Live Student Tracker and now the new Student Progress Summary were created at the request of teachers like you to make progress monitoring easier. Get to know them!

## Partner School of the Month

Our Partner School of the Month is Lakeside Christian School of Clearwater, Florida. Lakeside has been named to the Gold Medal for the past five years straight. This year they submitted great results for each of their grades 2-8. What's more, Lakeside Christian students completed the highest average number of objectives of any Gold Medal school this year!

Congratulations to all the teachers and students at Lakeside Christian Academy. See more at [www.ascendmath.com/gold\\_2017.html](http://www.ascendmath.com/gold_2017.html)

## Help Document Makes Next Year Easier!

Be better prepared for the beginning of next school year. We've created a short list of tips and advice to make your Ascend Math program easy as pie to kick off next school year. [Click Here](#)
