Ascend Math®

Hello October!

October brings exciting milestones! From student success at Oak Run Elementary to fresh teaching ideas, product updates, and NCTM Denver, there's plenty to explore.
Here's to reaching new heights together!

Partner School of the Month - Oak Run Elementary School!

Oak Run Elementary is proud to be named Partner School of the Month for October 2026, driven by an inspiring commitment to student math intervention across grade levels ranging from

kindergarten to eighth grade. Throughout the month, students dedicated over **52** hours of focused learning time, successfully mastering a remarkable **611** total objectives. Participants achieved an impressive average academic growth rate of **60%** of one grade level, highlighted by top-performing learners across multiple grade bands completing over **100** objectives with peak growth marks. This success highlights how targeted digital tools and student perseverance can foster incredible mathematical confidence and achievement at every level.

“I am incredibly grateful to our staff for protecting dedicated time for Ascend Math and ensuring our students have consistent opportunities to move forward in their math journeys. I am beyond proud of our students for taking ownership of their learning and putting in the work to grow. This recognition celebrates both the hard work of our students and the commitment of the staff who support them every day.” - *Bobbi Domingos, Coaching Principal*

Upcoming Events

Ascend Math will be attending **NCTM 2026 Annual Meeting and Exposition** in **Denver October 28-31.** If you are attending, drop by booth #1524 to say hello and enter a raffle! Ascend Math teachers will receive a t-shirt! Learn more here: https://www.ascendmath.com/nctm/

Tip of the month

Math Fun

Why did the haunted calculator fail?

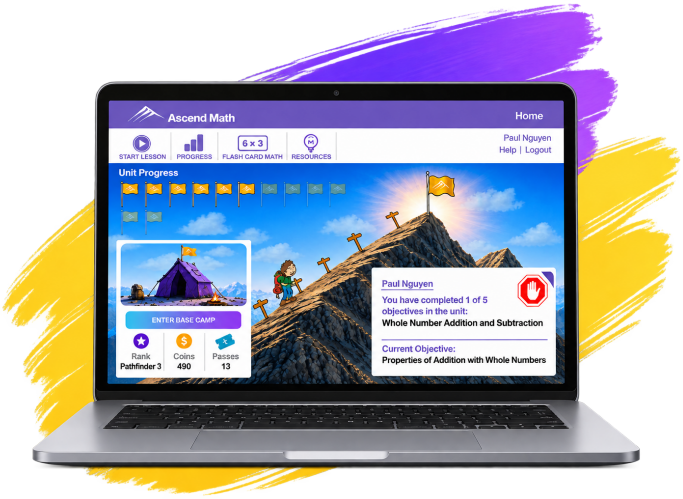

Share your students' growth with their parents or guardian easily with the Parent Letter report. Learn about how to easily create Parent Letters on our Wiki.

(Answer at the bottom of this newsletter)

Product Updates

Our student interface has been updated with a fresh new look!

Logout Reminder

When students want to stop working in Ascend, they should logout and NOT click the box with the X in the upper right hand corner.

Remember: "**Logout**, don't close out. X does not mark the spot."

NCTM Effective Teaching Practices

NCTM's Effective Mathematics Teaching Practices are designed to help educators create math instruction that is purposeful, responsive, conceptually grounded, and centered on student thinking.
Our new guide, How Ascend Math Supports NCTM's Effective Mathematics Teaching Practices, highlights the eight research-

6 things you need to know

You can find helpful tips for getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.

based practices and shows how Ascend Math and the related Compass Guides help bring them to life through personalized learning, targeted instruction, meaningful student discourse, and actionable data. Download the guide
